3. Fee Proposal for Academic Years 2027–28 and 2028–29

The proposal for an alternate-year fee revision over the next two academic years was presented for consideration and sign off done by all present members.

4. Additional Concerns, Recommendations and Action Points

The following concerns and recommendations were raised by the Executive Committee members for review and appropriate action.

4.1 History and Science – Class VIII

Mr. Kundar raised concerns regarding the teaching-learning process in History and Science for Class VIII.

In History, the extensive written work undertaken during classroom time was reported to leave limited time for concept reinforcement, discussions and interactive learning. Similarly, concerns were raised regarding students' conceptual understanding in Science.

Action Points:

- The teaching-learning approach for both subjects will be reviewed.
- A balanced approach incorporating written work, conceptual clarity, classroom discussions, activities and application-based learning will be encouraged.
- An HOD meeting will be conducted to review the concerns and identify suitable corrective measures.

4.2 Mathematics Practice – Class VIII

It was observed that students of Class VIII were receiving comparatively less practice in Mathematics.

Action Points:

- Additional practice worksheets will be provided.
- Regular problem-solving sessions and revision exercises will be incorporated.
- Student progress and confidence in mathematical skills will be monitored.

4.3 After-School Activities – Fee Structure

A concern was raised regarding the comparatively high fees charged by organisers for after-school activities, particularly sports and games.

Action Points:

- The existing fee structure for after-school activities will be reviewed.
- Possible measures to keep the charges reasonable and accessible to students will be explored.

4.4 Parent Session – "Handling Failure with Grace"

The need for a dedicated parent session on the topic *"Handling Failure with Grace"* was discussed.

Action Points:

- An experienced expert or counsellor will be invited to conduct an interactive session.
- The session will focus on helping parents support children in managing failure, setbacks, academic pressure and disappointment constructively.

4.5 Transportation – Pimple Saudagar Route and Pimpri Bus Delays

Concerns were raised regarding overcrowding in buses operating on the Pimple Saudagar route and frequent daily delays affecting buses on the Pimpri routes.

Action Points:

- The transportation team will review route planning, bus occupancy and travel schedules.
- Necessary corrective measures will be identified and implemented to address overcrowding and improve punctuality.
- The team will monitor the effectiveness of the corrective measures.

4.6 Class IX – Last-Minute Changes and Submissions

The concern regarding last-minute changes and submissions related to Class IX was highlighted.

Action Points:

- Adequate advance planning and coordination will be ensured.
- Timely communication of changes, deadlines and submission requirements will be maintained.
- Avoidable last-minute changes will be minimised.

4.7 Taekwondo Students – Disruption of Academic Lectures

It was brought to the committee's attention that Taekwondo students were being called by Tushar Sir during ongoing academic lectures, resulting in disruption to classroom learning.

Action Points:

- Taekwondo sessions and student call-outs will be coordinated with the academic timetable.
- Wherever feasible, such activities will be scheduled during free periods or other mutually agreed time slots.
- Academic teaching time will be protected to ensure continuity of classroom learning.

4.8 Class IX Question Papers – Review of Quality

Concerns regarding Class IX question papers were raised for review.

Action Points:

- The question papers will be reviewed for appropriate difficulty level, syllabus coverage, clarity and overall quality.
- Alignment with learning outcomes and assessment objectives will be ensured.
- Necessary improvements will be incorporated into subsequent assessments.

6. Conclusion

The meeting concluded with an appreciation of the active participation and valuable suggestions shared by the Executive Committee members. The school leadership acknowledged the concerns raised and assured the committee that the action points would be taken up with the respective teams for review, corrective measures and follow-up.

The meeting ended with thanks to all members for their continued support and constructive contribution towards the academic progress, student development and overall improvement of GG International School, Pimpri.
